I. General Information:

Course Title: Practice of Adulto II
Course and Number: NURS 2234
Credits: “Two” (2)
Academic Term: __________________
Professor: __________________
Place and Office Hours: __________________
Telephone: 250-1912 Ext. 2159, 2202
Email Address: __________________

II. DESCRIPTION:

III. TERMINAL OBJECTIVES

It is expected that at the end of the course, the student will be able to:

1. Perform the nursing process in providing care to the humanist of the adult and old with acute and chronic dysfunctions of higher incidence affecting the functional patterns: Cognitive-perceptual, activity and exercise and sexual-reproductive.

2. Demonstrate critical thinking skills in the integration of the sciences of the nursing process.

3. Use strategies of "TeamStepps" (Hand off) to communicate during the delivery of report.

4. Demonstrate sensitivity and cultural awareness when manages nursing care to patients of diverse cultures.

5. Demonstrate knowledge of literacy in health by providing education to the patient.

6. Use technology to access information of research to conduct evidence-based practice to promote national goals for Patient Safety.
V. TEMATIC CONTENT:

A. "Unit I. Humanistic Nursing Practice and Critical Thinking in providing care to the adult and old with acute and chronic conditions".
   1. Patient Safety
      a. National Patient SafetyGoals 2017- Joint Commision”
         http://www.jointcommission.org/PatientSafetyGoals/
      b. Pharmacology
         i. Drug Calculations
         ii. Drug Safety
         iii. High Risk Medications
         iv. Look-alike/sound-alike drug list
         v. Prototype medicamentos - neurological, respiratory, cardiovascular, hematological, musculoskeletal and antineoplastics
   2. Communication
      a. Patient Education (Health Literacy)
      b. Cultural sensitivity and awareness
      c. Team STEPPS
      d. Nursing Plan of Care
      e. Documentation
   3. Evidence Based
      a. Information Technology
      b. PICOT

B. Unidad II. Functional Health Pattern: Cognitive Perceptual:

1. Evidence-based practice and patient safety
   a. Basic Assessment of the Neurological System
   b. Glasgow Coma Scale
   c. Management of seizures

A. Unit III. Functional Health Pattern: Activity and Exercise

1. “Evidence Based Nursing Practice and Patient Safety: Cardiovascular”
   a. Cardiovascular Assessment
      i. Electrocardiogram (EKG)
      ii. Auscultation of heart sounds S1 y S2
      iii. Peripheral pulses
   b. Management of Cardiac Arrest Cart
      i. Medication and equipment
      ii. Monitor and defibrillator verification report collating
   c. Medication used during ACLS (2015-2020 Guidelines)
      i. https://acls-algorithms.com/acls-drugs/
d. Safe Practice: https://www.jointcommission.org/core_measure_sets.aspx
   i. Anticoagulant Therapy
   ii. Prevention of Venous Thromboembolism
      (https://www.jointcommission.org/assets/1/6/VTE_Fact_sheet_Jan_2014.pdf)

2. Evidence Based Nursing Practice & Patient Safety: Respiratory
   a. Basic Assessment of the Respiratory System
   b. Auscultation of Respiratory Sounds
   c. Peak Flow meter
   d. Oxygen Therapy
      i. Nasal
      ii. Simple Mask
      iii. Venturi Mask
      iv. Rebreather & Non-rebreather mask:
   e. Management of Artificial Airways
   f. Suction
      i. Nasotracheal Suctioning
      ii. Oral Tracheal Suctioning
      iii. Tracheostomy suctioning and cleaning
   g. Safe Practice: Care of patient on Ventilator

3. Nursing Practice Based on Evidence and Patient Safety: “Hematology”
   a. Basic Assessment of the Hematological System
   b. PRBC (Packed red blood cells):
   c. Platelets
   d. FFP (Fresh frozen plasma)
   e. WBC’s (White blood cells)
   f. Critical lab values

4. Evidence Based Nursing Practice & Patient Safety:
   a. Muscle Skeletal
   b. Client with a cast
   c. Client in traction

D. Unit IV. Functional Health Pattern: Sexuality Reproductive

1. Evidence –Based Nursing Practice and Patient Safety
   a. Woman’s Health with Breast Cancer
   b. Men’s Health with Prostate Cancer, Three way Urinary catheter and Irrigation portfolio

VI. ACTIVITIES
   A. Clinical Portfolio
      1. Clinical Execution
      2. Case Study (Case Management)
      3. Short Quizzes
      4. Patient Education – Health Literacy
         a. Design and offering patient education
      5. Simulation lab practice
      6. Pre and Post Conference
      7. Supervised Clinical Practice
      8. Small Group Discussion
      9. Review of research for Evidence Based Practice (PICO)
10. Posology
11. Study of medication by category and prototype
12. Team Stepps
13. ATI TESTING www.atitesting.com
15. Cultural Competency Model Tutorial 1, 2 y 3 https://www.thinkculturalhealth.org

VII. EVALUATION

<table>
<thead>
<tr>
<th>EVALUATION CRITERIA</th>
<th>POINTS</th>
<th>PORCIÉNTO DE LA NOTA FINAL</th>

VIII. SPECIAL NOTES

A. Supporting Services or Special Needs
Students requiring additional services or special assistance must request these at the beginning of the course or as soon as they learn that they need them, through the appropriate register in the office of Mr. Jose Rodriguez, at the University Orientation Program located at the first floor of Harris Building.

B. Honesty, Fraud and Plagiarism
The lack of honesty, fraud, plagiarism and any other inadequate behavior in relation to academic work constitute major infractions sanctioned by General Student Regulations. Major infractions, according to General Regulation Students, may result in suspension from the University for a definite period of time greater than one year or the permanent expulsion from the University, among others sanctions.
C. Use of Electronic Devices

Cellular (mobile) telephones, IPODS, and any other electronic device that could interrupt the teaching-learning process or disrupt a milieu favorable for academic excellence will be deactivated. Critical situations will be dealt with in an appropriate manner. The use of electronic devices that permit the accessing, storing or sending of data during tests or examinations is prohibited.

D. Special Requirements of Practice and Internship Centers

Some academic programs of the University require students to complete a practice or internship in a real work scenario as part of the degree requirements. These external centers may be state and federal agencies, hospitals, and nongovernmental organizations, among others. It is students' responsibility to comply with the external center's requirements in order to complete their practice or internship. Depending on the practice center, these requirements may be doping tests, HIV tests, an immunization certificate against hepatitis, a health certificate, a negative criminal record, or any other requirement that the institution or practice center may stipulate. If students refuse or are not able to meet any of the requirements, they will be unable to complete their practice or internship and, therefore, will not pass the practice or internship course or meet the graduation requirements of their academic program.

E. Clinical Practice in Diverse Scenarios

This course considers clinical practice in diverse scenarios such as hospitals, diagnostic and treatment centers (CDT), elderly care centers, extended care centers, and simulation laboratories, among others. There is a minimum of four weeks period, at the school laboratory to acquire skills before going to the clinical scenario. In the event of the occurrence of special situations which would be beyond of the School of Nursing an alternate plan would be considered.

F. Compliance with the Provisions of Title IX

If an institution receives federal funding, the law on graduate higher education as amended prohibits discrimination on the basis of sex in any academic activity, education, extracurricular, athletic or any other program or employment sponsored or controlled by an institution of higher education independently of it being celebrated within or out of the territories of the institution, if the institution receives federal funding.

In accordance to the federal regulations, our academic unit has designated a coordinator Title IX auxiliary, which will offer assistance and orientation in regards to any a ledge incident related to discrimination based on sex or gender, sexual harassment or sexual assault. Contact the Auxiliary Coordinator George Rivera, Security Director, at phone number 787-250-1912, extension 2147, or email grivera@metro.inter.edu.

The regulatory document entitled rules and procedures that address alleged violations of the provisions of title IX is the document containing institutional rules to channel any complaint addressing on this type of allegation. This document is available on the gateway of the Interamerican University of Puerto Rico (www.inter.edu)
