## NURSING CURRICULAR PLAN

### IMPORTANT INFORMATION:

- The Associate and Bachelor's Degree in Nursing are accredited by ACEN (Accreditation Commission for Education in Nursing).
- **Requirements for Admission to Nursing Program:**
  - Meet all admission standards established in the General Catalog.
  - Have a minimum GPA of 2.50 from high school or place of origin.
  - To be eligible for third year courses must have successfully completed the requirements of the first two years of the Bachelor of Science in Nursing from a recognized and accredited institution of higher education. Candidates who bring an associate degree must complete all general education requirement established by the institution.
  - At the moment of admission to the program evidence of any permanent license acquired must be presented.
- **Requirements for Clinical Practice:**

The student is responsible for submitting their credentials in original and copy during the first two weeks of class to each practice course professor.

  - Health Certificate (valid for one year)
  - Certificate of Good Conduct of Puerto Rico (negative)
  - Certificate of Immunization: Hepatitis B (three doses, Chicken Pox (two doses) and Influenza (annual). If 10 years have passed since your last Hepatitis B and Varicella vaccine, a titer test with a reactive result issued by an authorized laboratory will be required.
  - CPR – American Heart Association (valid for two years)
  - Respirator Training – N-95
  - Recent Photo (2x2)
  - University Identification Card
  - Medical Plan ID Card
  - Law 300
  - Certification of OSHA, HIPAA and Infection Control
  - National Goals
  - Nose and Throat Culture
  - Drug Test
  - CPI – Defense Training Certificate
  - Birth Certificate
  - Resume
  - If necessary, any other document required by practical scenario, will be requested by the course professor.
- **Uniform:**
  - Practice courses at the NESH – Scrub (exclusive from the University Bookstore, first floor) and white nursing shoes.
  - Practice courses outside the University - Gala Uniform.
    - ✓ Women - Mint Green Uniform - exclusive from the University Bookstore (first floor) and white nursing shoes.
    - ✓ Men – White Uniform and white nursing shoes.
- **Policy regarding nursing curriculum plan:**
  - The Nursing concentration trimester courses will be offered and taken according to the current Curriculum Plan.
  - If for any reason a student completes the required general education courses, the student **CANNOT** advance or merge any nursing course out of sequence.
  - If needed, the student should see an academic counselor that can advise them on the option of selecting a minor concentration that can be taken to complete full time status credits.
- For the Associate Degree in Nursing students are required to complete 50% of the major credits in the campus from which they expect to receive the degree. This also applies to the Bachelor's Degree.
- This Curriculum Plan must be presented along with your Interweb Credit Transcript each time you attend academic counseling, which is recommended to be every trimester.

I understand and agree with the above,
